

UARTMessenger::calculate
Checksum

```
graph LR; A[UARTMessenger::update] --> B[UARTMessenger::calculateChecksum];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'UARTMessenger::calculate' on the top line and 'Checksum' on the bottom line. The box on the right is white with a black border and contains the text 'UARTMessenger::update'. A dark blue arrow points from the right side of the white box to the left side of the gray box.

UARTMessenger::update
